WiFi

IACBOX
Internet Access Control

Your patient WiFi: secure, flexible, user-friendly

Provide patients and staff with convenient access through an accessible login process. The solution is compatible with any existing infrastructure and can be seamlessly integrated into your hospital information system (HIS).

With **IACBOX,** you retain full control over access, security, and billing – centrally managed, GDPR-compliant, and absolutely reliable.

Seamless login
instant connection, no technical effort required

HIS integration
convenient login with individually customizable personal data

Accessible login page
no IT knowledge required

Payment system
easy-to-follow steps, multiple payment options

The RIGHT SOLUTION for every healthcare facility: from private practices to university hospitals.

Recommended Package
