IACBOX
Internet Access Control

Your student WiFi: secure, simple, controlled

Provide students with easy and GDPR-compliant internet access. The solution is compatible with any existing infrastructure and can be seamlessly integrated into your school's IT system.

With **IACBOX**, you retain full control: secure login, individual user profiles, and automatic deletion of log data ensure maximum security.

Secure login
secure data transfer, straight forward access

Easy management
central administration of student and teacher accounts

Individual user profiles
different access levels for students and teachers

Access management
selectively grant or restrict usage

The PERFECT SOLUTION for schools and educational institutions.
